**ROSELLA DOAR**

*8-22-1918*  
**Fourteen-Year-Old Daughter of Mr.  
and Mrs. Ed. Doar Dies in St. Paul.**

Rosella Doar, fourteen-year-old daughter of Mr. and Mrs. Ed. Doar passed away at St. Joseph hospital, St. Paul, Saturday night. The remains were brought to Groton on Monday and funeral services, in charge of Rev. C. B. Harrold, were held at the Paetz-nick undertaking rooms yesterday afternoon, with interment in Groton Union Cemetery.

The Doar family had but recently moved to the Grotn community, coming here from Summerset, Wis., and not having gotten settled on their new place which is two and one-half miles east of the city, formerly the Marschman quarter.

Rosella Doar was born in Wisconsin. It was while attending school there when ten years of age that she was accidentally wounded with a hatpin in the hands of a school mate. From that she developed a case of blood poisoning affecting the bones. She had had numerous very bad spells of sickness as a result and one of these occurred something over a week ago when her mother took her to St. Paul for medical attention. Nothing, however, could be done for her.

The family has the sympathy of all in their bereavement.
